This memorial was modest, neither large nor complicated in design. Nevertheless, often the carvers in this line of business followed days after the morticians, because the stones to which they applied their craft demanded more labor and less urgency than the cold bodies that rested under them..IN HIS FORD VAN filled with needlepoint and Sklent and Zedd, Junior Cain-Pinchbeck to the world-left the Bay Area by a back door. He took State Highway 24 to Walnut Creek, which might or might not have walnuts, but which offered a mountain and a state park named for the devil: Mount Diablo. State Highway 4 to Antioch brought him to a crossing of the river delta west of Bethel Island. Bethel, for those who had taken good advanced courses in vocabulary improvement, meant "sacred place.".Clinging to the desperate hope of an ultimate reunion, he put the gun away, went to the kitchen, and made a grilled-cheese sandwich: cheddar, with dill pickles on the side..Could any spell of magic make.,Paul Damascus remained busy, filling prescriptions, until he was finally able to take a lunch break at two-thirty..Finding nothing more of interest in the study, he considered searching the rest of the house..Beveled, crackled, distorted, divided into petals and leaves, Deed's face beyond the lead-ad glass, as he leaned closer to try to peer inside, was the countenance of a dream demon swimming up out of a nightmare lake..Standard decks of playing cards are machine packed, always in the same order, according to suits. You can absolutely count on the fact that each deck you open will be assembled in precisely the same order as every other deck you have ever opened or ever will open..As Junior stood at Seraphim's grave, his breath smoked from him in the still night air, as though he were a dragon..Dinner was available in the lounge. Junior enjoyed a superb filet mignon with a split of fine Cabernet Sauvignon..Abruptly, Junior Cain turned away from the tower, from the body of his lost love, dropped to his knees, and vomited. Vomited more explosively than he had ever done in the depths of the worst sickness of his life. Bitter, thick, grossly out of proportion to the simple lunch that he had eaten, up came a dreadfully reeking vomitus. He was untroubled by nausea, but his abdominal muscles contracted painfully, so tightly that he thought he would be cinched in two, and up came more, and still more, spasm after spasm, until he spewed a thin gruel green with bile, which surely had to be the last of it, but was not, for here was more bile, so acidic that his gums burned from contact with it--Oh God, please no-still more. His entire body heaving. Choking as he aspirated a piece of something vile. He squeezed his watering eyes shut against the sight of the flood, but he could not block out the stench..Agnes winced. Already, another contraction. Mild but so soon after the last. She clasped her hands around her immense belly and took slow, deep breaths until the pain passed.. "I'm really not sad, Mom. I'm not. I don't like it this way, being blind. It's ... hard." His small voice, musical as are the voices of most children, touching in its innocence, spun a fragile thread of melody in the dark, and seemed too sweet to be speaking of these bitter things. "Real hard. But being sad won't help. Being sad won't make me see again..".Years earlier, a stream had been diverted to fill the vast excavation. Stock fish were added, mostly trout and bass..He decided to use the tool just three times on each deadbolt before trying the door. The less noise the better. Maybe luck would be with him..No matter. He was a future-focused, focused man. The past is for losers. No, wait, humility is for losers. "The past is the teat that feeds those too weak to face the future." Yes, that was the line from Zedd that Junior had stitched on a needlepoint pillow..2000, the Year of the Dragon, gives way without a roar to the Year of the Snake, and after the Snake comes the Horse. Day by day the work is done, in memory of those who have gone before us, and embarked upon work of her own, young Mary is out there among you. For now, only her family knows how very special she is. On one momentous day, that will change..I'll put you in a twilight sleep, you babbling cretin. Where'd you earn your medical degree, you nattering nitwit? Botswana? The Kingdom of Tonga?."Even when I was a young boy," Tom continued, "the world felt a lot different to me from the way it looked to other people. I don't mean I was smarter. I've got maybe a little better than average IQ, but nothing I could brag about. Flunked geography twice and history once. No one would ever confuse me and Einstein. It's just, I felt ... such complexity and mystery that other people didn't appreciate, such layered beauty, layers upon layers like phyllo pastry, each new layer more amazing than the last. I can't explain it to you without sounding like a holy fool, but even as a boy, I wanted to serve the God who had created so much wonder, regardless of how strange and perhaps even beyond all understanding He might be..".Paul realized that the kitchen had fallen silent, that the women had turned to the two children and now stood as motionless as figures in a waxworks tableau..They were each down to one last sip of wine, studying dessert menus, when Celestina began to

wonder if, in spite of all instincts and indications, she might be wrong about the state of Wally's heart. The signs seemed clear, and if his radiance wasn't love, then he must be dangerously radioactive-yet she might be wrong. She was a woman of some insight, quite sophisticated in many ways, with the raw-nerve perceptions of an artist; however, in matters of romance, she was an innocent, perhaps even more pitifully naive than she realized. As she perused the list of cakes and tarts and homemade ice creams, she allowed doubt to feed upon her, and as the thought grew that Wally might not love her that way, after all, she became desperate to know, to end the suspense, because if she didn't mean to him what he meant to her, then Daddy was just going to have to accept her conversion from Baptist to Catholic, because she and Angel would have to spend some serious heart-recovery time in a nunnery..Sitting in Simon Magusson's mahogany-paneled office, reading the contents of this file, Junior was aghast. "I could have been killed." "Yes?" the silver-haired eminence replied, wrinkling his nose as though he suspected that this customer would ask if the display pedestal was included in the price..By this time, Vinton had finished, commercials had run, and the number-two song had started: "Come See About Me," by the Supremes..Curious to know what Neddy had said, Junior quickly approached the same gallery staffer. "Excuse me, but I've been looking for my friend ever so long in this mob, and then I saw him talking to you-the gentleman in the London Fog and the tux-and now I've lost him again. He didn't say if he was leaving, did he? He's my ride home." Angel raised her attention from the salt shaker to Tom's face, studied his scars for a moment, and said, "No." Had Junior been chest-deep in wet concrete, he would have been more mobile than he was now. He had no feeling in his legs.."No. Lampion. Somewhere in your father's French background, there must have been lamp makers. A lampion is a small lamp, an oil lamp with a tinted-glass chimney. Among other things, in those long ago days, they used them on carriages." Minutes later, once more in a corridor conference with Dr. Daines, she was forced to temper her new optimism..get his hackles up if we, at the state level, still want to poke around a little..In her features, the girl entirely resembled her mother. She was nothing whatsoever like Junior. Only the light brown shade of her skin provided evidence that she hadn't been derived from Seraphim by parthenogenesis..He chased after none of these lovelies beyond a few dates, and none of them pursued him when he was done with them, although surely they were distressed if not bereft at losing him.."Wally," Celestina said, without hesitation, because suddenly she saw something of a Wally in his green eyes, which were livelier than they had been before..As Junior paced the hotel room, his fear made way for anger. All he wanted was peace, a chance to grow as a person, an opportunity to improve himself And now this. The unfairness, the injustice, galled him. He seethed with a sense of persecution..For breakfast, he avoided sugar. He ate cold roast beef and drank milk laced with a double shot of brandy..He kept a few paperbacks of Caesar Zedd's work in the bathroom, so that time spent on the john wouldn't be wasted. Some of his deepest insights into the human condition and his best ideas for self-improvement had come in this place, where Zedd's luminous words seemed to shine a brighter light into his mind upon rereading..Heart racing, but reminding himself that strength and wisdom arose from a calm mind, Junior stood in the center of the small kitchen, slowly turning to study every angle of the room..NOLLY SAT BEHIND his desk, suit jacket draped over the back of the chair, porkpie hat still squarely on his head, where it remained at virtually all times except when he was sleeping, showering, dining in a restaurant, or making love..Edom had turned away from the box of groceries that he was packing. Frowning at the pies, he said, "You don't think. . .Although the ace of hearts had only positive meanings, and although, according to Maria, multiple appearances, especially in sequence, meant increasingly positive things, a series of chills nevertheless riffled through Agnes's spine, as if her vertebrae were fingers shuffling.."He'll just think I'm an incompetent detective. If he comes around wanting his five hundred bucks back, I'll give it to him." If Cain had been attracted to one woman by her looks, surely he would be attracted to the other. And perhaps the sisters shared a quality other than beauty that drew Cain with even greater power. Innocence, perhaps, or goodness: both foods for a demon.."Yes. More about that later, just let me make it clear that an interest in physics doesn't make me a physicist. Even if I were, I couldn't explain quantum mechanics in an hour or a year. Some say quantum theory is so weird that no one can fully understand all its implications. Some things proven in quantum experiments seem to defy common sense, and I'll lay out a few for you, just to give you the flavor. First, on the subatomic level, effect sometimes comes before cause. In other words, an event can happen before the reason for it ever occurs. Equally odd ... in an experiment with a human observer, subatomic particles behave differently from the way they behave when the experiment is unobserved while in progress and the results are examined only after the fact-which might suggest that human will, even subconsciously expressed, shapes reality." Yet, uncaught, the quarter would have dropped to the floor. Junior would have heard it ring off the tiles. Which he hadn't..More likely than not, he would cross Bartholomew's path when he least expected, not as a consequence of his searching, but in the normal course of a (lay. If that happened, he must be prepared to eliminate the threat immediately, by any means available to him..She wanted to go to San Francisco with Celestina, to have the baby in the city, where the father-and not incidentally her friends and Reverend White's parishioners-would never know she'd given birth. The more her parents and sister argued against this plan, the more agitated Phimie became, until they worried that they would jeopardize her health and mental stability if they didn't do as she wished..An emergency kit in the trunk of his car contained a flashlight. He fetched it and sweetened the bribe to the valet..He tried to lean back as he dropped, with the hope that he would fall under her, providing cushion if they met with sidewalk instead of lawn..As if vengeful spirits weren't trouble enough, he had for three years been struggling unwittingly against the terrible power of the minister's curse, black Baptist voodoo that made his life miserable. He knew now why he had been plagued by violent nervous emesis, by epic diarrhea, by hideously disfiguring hives. The failure to find a heart mate, the humiliation with Renee Vivi, the two nasty cases of gonorrhea, the disastrous meditative catatonia, the inability to learn French and German, his loneliness, his emptiness, his thwarted attempts to find and kill the bastard boy born of Phimie's womb: All these things and more, much more, were the hateful consequences of the vicious, vindictive voodoo of that hypocritical Christian. As a highly self-improved, fully evolved, committed man who was comfortable with his raw instincts, Junior should be sailing through life on calm seas, under perpetually sunny skies, with his sails always full of wind, but instead he was constantly cruelly battered and storm-tossed through an unrelenting night, not because of any shortcomings of mind or heart, or character, but because of black magic..The boy-wonder physician turned to Junior again and assumed an expression of compassion so inauthentic that if he'd been playing a doctor on even the cheesiest daytime soap opera, he'd have been stripped of his actor's-union card, fired, and possibly horsewhipped on a live television special. "We'll be doing the procedure this afternoon, so I wouldn't want to give you anything much for the pain just prior to anesthesia and sedation. But don't you worry, Mr. Pinchbeck. Once we've lanced these boils, when you wake up, ninety percent of the pain will be gone." "Toes," he repeated immediately in his sweet, piping voice. This was a new word for him..On

the day that Vanadium attended the graveside service for Seraphim and subsequently stopped at Naomi's grave to needle Cain, he had suspected that Phimie didn't die in a traffic accident, as claimed, but he hadn't for a moment thought that the wife killer was in any way connected. Now, finding this gallery brochure in the nightstand drawer seemed to be one more bit of circumstantial proof of Cain's guilt..He also sought a supplier of high-quality counterfeit ID. This proved easier than he anticipated..Although Zedd counsels living in the future, he recognizes the need to have full recollection of the past when absolutely needed. One of his favorite techniques for jolting memories loose when the subconsciously..Even at this post midnight hour, the lounge would sometimes be as crowded with worried loved ones as at any other time of the day. This morning, however, the only life under the threat of the scythe appeared to be Wally's; the sole vigil being kept was for him..To achieve certain narrative effects, I've fiddled slightly with the floor plan and the interior design of St. Mary's Hospital in San Francisco. In this story, the characters who work at St. Mary's are fictional and are not modeled after anyone on the staff of that excellent institution, either past or present..Junior was tempted to experiment with the controls. Maybe other messages were recorded on the machine. Listening to them would be delicious-even if every one of them turned out to be as meaningless to him as Max's--a little like browsing through a stranger's diary..Inexplicably, each repetition of Bartholomew heightened Junior's anxiety. The name resonated not just in his ear, but in his blood and bones, in body and mind, as if he were a great bronze bell and Bartholomew the clapper..On one wall hung an impressive array of gardening tools. In the corner was a potting bench..With the successful consumption of the burger and with the addition of the third Sklent to his collection, Junior felt more upbeat than he'd been in quite a while. Contributing to his better mood was the fact that he hadn't heard the phantom singer in longer than three months, since the library in July..Wally Lipscomb's face, as long and narrow as ever, seemed not at all like the dour visage of an undertaker, as once it had, but rather like the rubbery mug of one of those circus clowns who can make you laugh as easily by striking an exaggeratedly sad frown as by putting on a goofy grin. She saw a warmth of spirit where once she had seen spiritual indifference, vulnerability where once she had seen an armored heart, great expectations where once she had seen withered hope; she saw kindness and gentleness where they had always been but now in more generous measure than before. She loved this long, narrow, homely, wonderful face, and she loved the man who wore it..He was wrong about this. On the final Friday of every month, in sunshine and in rain, Junior routinely took a walking tour of the six galleries that were his very favorites, browsing leisurely in each and chatting up the galerieurs, with a one-o'clock break for lunch at the St. Francis Hotel. This was a tradition with him, and invariably at the end of each such day, he felt wonderfully cozy..Whereas Edom feared the wrath of nature, Jacob knew that the true hand of doom was the hand of humankind..He ardently wished that he hadn't killed her with such merciful swiftness. If he'd tortured her first, he would now have the memory of her suffering from which to take consolation..Barty, didn't watch much television. He'd been up late enough to see Red Skelton only a few times, but that comedian always drew gales of laughter from him..At 3:22 in the morning, December 13, following a busy day of conducting ghost research, seeking Bartholomews in a telephone book, and working on his needlepoint, Junior awakened to singing. A single voice. No instrumental accompaniment. A woman..Even on good days, when he wasn't hassled by the spirits of dead cops and wasn't prepping himself to commit murder, Junior sometimes grew uncomfortable in these bustling crowds. This afternoon, he felt especially claustrophobic as he shouldered through the throng-and admittedly paranoid, too..Looking down at Barty, Agnes saw the ghost of Joey in the baby's face, and although she half believed that her husband would be alive now if he had never tempted fate by putting such a high price on his life, she couldn't find any anger in her heart for him. She must accept this final generosity with grace-if also without enthusiasm..Once more crowding his quarry, Junior said, "I'm amazed you'd recognize me, since I haven't been to the lounge often..". "Last time I looked, Miss Galloway lived to the south of us. Retired. Never married. No children."
